FEATURING GLEN COVE FIRE DEPARTMENT & EMS

PLEASE JOIN US FOR S.A.F.E.'S 6TH ANNUAL FAMILY AWARENESS DAY

Family Awareness Day was created to promote family unity and a substance free family environment.

FEATURING BICYCLE STUNT SHOW

Come join us for a professional bicycle cyclist stunt performance with one of the most accomplished and prolific stunt riders in North America.

Each 30 minute show is a breathtaking display of balance and agility as he maneuvers his bike and body over his custom built ramps and obstacles, displaying the skills he has acquired in his years of national and international competitive experience. He even gets the audience involved by including volunteers from the crowd as part of the show.

Each demonstration is followed by an autograph session and give-away of free merchandise. Attendees will also have the chance to enter to win his personal ride, valued at over \$3000!
