The 6th Annual Family Awareness Day for SAFE, Inc. was held on a beautiful Saturday in June in Morgan Memorial Park. Created as a way to promote family unity and a substance free environment, the day's events included games, food, music and raffle prizes, and many children came out with their families to enjoy the day in the park. A special feature added this

year was Touch-a-Truck with Glen Cove Fire Department and EMS, and for the first time, bicycle stunt show was offered in the parking lot. Professional stunt cyclist Chris Clark dazzled the audience with a slew of tricks during his 30-minute performance.
